

Our Children's Safeguarding Policy

What is Safeguarding and Child Protection?

Safeguarding and Child Protection is about **keeping you safe** and healthy and about **protecting you** from harm. Your physical and mental well-being are very important to us.

In our school, we respect you and we will help to protect your rights.

We will teach you how to recognise risks, in the community, at home and online, and we will **teach** you how to **keep yourself safe**.

How will we try to protect you and keep you safe?

Our **school is a safe place**, where everybody can learn and where **everyone will listen**.

We will try to **keep you safe**, at **home** and in the **community**, as well as in **school**.

safe

We will make sure you know where to get help from, if you are **worried** or **unhappy**.

What should you do if you need to **talk**?

You can **talk to any adult in school**. They will **ALWAYS** be there for you and they are trained to get you the help you need.

Our **Safeguarding Team** is **Mrs Powell**, **Mrs Cross** and **Mr Asbury**.

They will support the adults in school to help **keep you safe**.

Childline is also a counselling service for children.

Trained adults will listen to your worries and concerns. It is a free number.
