

Our Children's eSafety Policy

What is eSafety?

eSafety is about **keeping you safe** and about **protecting you** from harm **online** - that means on **computers, tablets and phones**.

safe

In our school, we will teach you how to **behave online**, how to **recognise risks**, and we will **teach** you how to **keep yourself safe online**.

How will we try to protect you and keep you safe?

Our **school is a safe place**, where **everyone will listen**. We teach everyone to show **respect** and be **kind** with their **words** and **actions**.

We expect you all to show **respect** and **kindness outside school** and **online**.

We will teach you **not to share information** about yourself with **people you don't know**.

We will make sure you know where to get help from, if you are **worried** or **unhappy** about something that has happened **online**.

What should you do if you are **worried**?

You can **talk to any adult in school**. They will **ALWAYS** be there for you and they are trained to get you the help you need.

Our **Safeguarding Team** is **Mrs Powell, Mrs Cross** and **Mr Asbury**.

They will support the adults in school to help **keep you safe**.
